**The Metropolitan Club
of the City of Washington**
WASHINGTON, D. C. 20006

**BLACK TIE DINNER - MEMBERS ONLY
MONDAY, NOVEMBER 26, 1979**

The Club's Special Activities Committee is pleased to announce that two distinguished members, Presidential Counsel Lloyd Cutler and former Deputy Defense Secretary Paul Nitze, will discuss the SALT II treaty at a black tie dinner on November 26 - on the eve of the date now targeted for the beginning of the Senate floor debate. Stephen Ailes, the Club's president and former Secretary of the Army, will moderate this event, which will follow the format of the 1976 presidential debates and which will include questions from the audience.

As Club members are no doubt aware, Lloyd Cutler has been spearheading the Administration's effort to obtain treaty ratification, first as a special government advisor and now as Counsel to the President, a post he assumed in October. He brings to his current position a lifetime of experience as a highly successful national and international lawyer and as a founder of one of Washington's leading law firms. Paul Nitze, who was a member of the SALT Delegation from 1969 to 1974, has been the principal SALT critic outside the Senate as one of the founders of the Committee on the Present Danger. He has had a distinguished record of government service, serving as Director of the State Department's Policy Planning Staff, Assistant Secretary of Defense for International Security Affairs and Secretary of the Navy.

Cocktails and Canapés will be served on the second floor at 6:30 p.m. The dinner, which will begin at 7:30 p.m. can accomodate only 150 Club members (no guests) because of space limitations, so members who wish to hear and participate in the discussion are urged to let the Club know immediately. The evening should be both elucidating and entertaining and the Club is grateful to Messrs. Cutler and Nitze for making it possible.

Please make your reservations on the enclosed card as the Club will serve those members having reservations for the dinner only, no telephone reservations will be accepted.
